INDEX TO VOLUME LXXXIII.

July 1 to December 31, 1905.

A

Accidents, Do Safety Appliances Increase?..... 11
Acetylene and Calcium Carbide, by J. B. Morehead..... 42
Acetylene, Dissolved, The Use of..... 1019
Address of President E. F. Lloyd, Michigan Gas Association 578
Address of President E. G. Cowdery, American Gas Light Association..... 746
Address of President L. P. Lowe, Pacific Coast Gas Association..... 284
Address of President W. W. Cole, Empire State Gas and Electric Association..... 971
Advertising, Gas, by Glenn R. Chamberlain..... 707
Advertising, Lights for, by Bert Mason..... 707
Alternating Current Meters in Industrial Service, by P. D. Ionides..... 10
American Gas Light Association, Thirty-third Annual Meeting.....834, 922, 966, 1010, 1054
Annual Meeting of the German Gas and Water Business Men's Association, a Note from the XXXV..... 489
*Apparatus for Quick Enriching, An, by H. B. Johnson... 129
Arcs, Gas, by W. M. Kabus..... 575
Associations' Conventions, Gas, Commercialism at, by L. S. Bigelow..... 447
Atmospheric Condensation Causes Damage..... 92
Awakening, an English..... 834

B

*Babbitt Metal, Gas as Employed in the Use of, by "Observer"..... 1018
Ball, W. Valentine, Electrical Development in Great Britain, Some Obstacles to..... 1063
Barstow, W. S., Economic Waste and Competition..... 1058
*Benzol, The Practical Enrichment of Low Candle Power Gas with: Its Convenience and Advantages, by Fred. B. Wheeler..... 123
Bigelow, L. S., Commercialism at Gas Associations' Conventions..... 447
*Blower and Exhauster, Rotary: Its Construction, Application and Efficiency, by George C. Hicks.....207, 242
Boiler Plant. Economy in..... 412
*Boilers, Steam, Firing by Producer Gas..... 714
*Boring for Gas, by "Inspector"..... 844
Briquettes, Coal, Manufacture of, in Japan..... 11
Brown, H. C., Public Utility Corporation and the Municipality, The: Their Legal, Equitable and Economic Relations.....535, 571
*Bucket, A Pressed Steel..... 291
Bureau of Standards What the, has Accomplished..... 1021
*Burette Holder, A New..... 1016
*Burning, Tar in Gas and Electric Plants, by A. R. Field... 660
Business Men's Association, A Note from the XXXV. Annual Meeting of the German..... 489
Butterworth, Irvin, Prevention of Stoppages in Services, Meters and House Pipes During Cold Weather, The... 42
Butt, T. P. E., Induction Motor as a Generator, Notes on the..... 929

C

Calcium Carbide and Acetylene, by J. B. Morehead..... 42
Calkins, W. B., Coal Sampling and Testing..... 127
*Calorimeter Testing, by M. A. Lecomte..... 51
*Carburetted Methane-Hydrogen Gas, The Methane-Hydrogen Generator Adapted to Carburetted Water Gas Plant for the Production of..... 411
Cast Iron Pipe Trade, The..... 933
Causes of Sparking in Direct Current Machinery, Internal, by Sydney Woodfield.....131, 171
Cement Joints for Street Mains, A Plea for, by W. Musgrave Wood..... 887
Central Station Design—An Exact Service..... 757
Chamberlain, Glenn R., Gas Advertising..... 707
Charging for Gas, Methods of, by Alfred E. Forstall..... 749
Chemistry and Physics of Gas, Something about the, by Fred. C. Jones..... 402
Chollar, B. E., Engineer, The Evolution of the..... 82
City Gas Works, The, Richmond, Va., by Frederic Egner.. 1016
*Clary, David H., and Alfred H. White, Naphthaline, The Removal of, from Coal Gas.....663, 702
Clerk, Dugald, Gas Turbine, The Problem of the..... 930
Coal Briquettes in Japan, Manufacture of..... 11
Coal Gas, The Price of, to Possible Users of Suction Gas and Others, by Thomas Newbigging..... 1059
*Coal Handling Plant and De Brouwer Projecor at Alloa.... 927
Cochran, N. D., Ideal Corporation, An..... 165
Coke, Sulphur in, and its Removal..... 209
Cole, W. W., President Empire State Gas and Electric Association, Address of..... 971
Commercialism at Gas Associations' Conventions, by L. S. Bigelow..... 447
Competition and Economic Waste, by W. S. Barstow..... 1058
*Compressed Gas, Railway Carriage Lighting by Means of, by M. Naude..... 91
*Compression and Transmission of Illuminating Gas, The, by E. A. Rix.....325, 362
Concrete and Reinforced Concrete, Fire Tests with..... 975
Condensation, Atmospheric, Causes Damage..... 92
Condensation, Some Thoughts on, by James S. McIlhenny.. 836
Construction and Operation in the Electric Department, Some Suggestions on, by George C. Holberton..... 488
Consumers' Meters, Improvements to Date in, by Charles H. Dickey..... 751
CORRESPONDENCE—
Personal Contact, Knowledge by..... 242
Special English Correspondence, by Norton H. Humphrys.....11, 171, 331, 491, 714, 888, 1064
Corrosion of Gas Meters, The..... 625
Covered Wiring, Lead, by John D. Mackenzie..... 974
Cowdery, E. G., President American Gas Light Association, Address of..... 746
Cranes, Electric, Notes on Equipment for, by W. H. Wakeman..... 581

D

*De Brouwer Projector and Coal Handling Plant at Alloa. 927
*Dessau Vertical Retort, The..... [623
Dickey, Charles H., Consumers' Meters, Improvements to Date in..... 751
Direct Current Machinery, Internal Causes of Sparking in, by Sydney Woodfield.....131, 171
Dissolved Acetylene, The Use of..... 1019
*Distribution of To-day, High Pressure Gas, by H. L. Rice..... 792
"Drummers" and Gas Managers..... 756

E

*Eastern Headquarters, The H. Mueller Manufacturing Company's..... 8
Economic Institutions, The Relativity of, by Prof B. H. Meyer..... 839
Economic Waste and Competition, by W. S. Barstow..... 1058
Economy and Efficiency in Train Lighting..... 169
Economy in Boiler Plant..... 412
EDITORIALS—
American Gas Light Association, A Feature of the Entertainment at the Coming Meeting of the..... 282
American Gas Light Association, The Coming Meeting of the..... 570
American Gas Light Association, The First Note in Connection with the October Meeting of the..... 162
American Gas Light Association, To Lecture before the. 242
Bartlett, Edward L., Obituary Note..... 570
Beginning in a Sensible Way on the Surface..... 789
Bray, George, Death of..... 322
Bray, George, Obituary..... 402
City Ownership, Opinion of Judge Baker Regarding... 362
Empire State Gas and Electric Association, First Annual Meeting..... 745
Flick, Liddon, Death of..... 42
Fraternality, The Right Sort of..... 701
German Continental Gas Association, The Demi-Centenary Evolution of the..... 121
Improvement, The Trend of..... 162
Kansas Gas, Water, Electric Light and Street Railway Association, Eighth Annual Meeting..... 702
Keep on Working Actively..... 282
Milwaukee Meeting of tht American Gas Light Association, Special Editorial Correspondence..... 657
Naphthaline, The Michigan Paper on..... 658
National Commercial Gas Association, Convention, The New York Meeting..... 1053
Ohio Gas Light Association, The Next Meeting of the. 877
Poor, John C., Death of..... 658
Report and Its Consequences, A..... 965
Small New Plants..... 282
Welsh, William, Sr., Death of..... 746
Egner, Frederic, A New Invention, with a Reference to the Past Records of the Gas Industry..... 250
Egner, Frederic, City Gas Works, The Richmond, Va..... 1016
Egner, Frederic, Made in Germany..... 409
Electrical Development in Great Britain, Some Obstacles to, by W. Valentine Ball..... 1063
*Electric and Gas Companies, State Supervision of, by John L. Wilkie..... 1013
*Electric and Gas Plants, Tar Burning in, by A. R. Field... 660
Electric Cranes, Notes on Equipment for, by W. H. Wakeman..... 581
Electric Department, Some Suggestions on Operation and Construction in the, by George C. Holberton..... 483
Electrician, The Naval..... 976
Electric Light and Gas Laws of New York State..... 630
Electric Transmission, Utilization of Gas Engines in Connection with Long Distance, by J. Martin..... 444
Engineer, The Evolution of the, by B. E. Chollar..... 82
*Engines, Gas, Shop Talks on, by "G. D. R."..... 887
Engines, Gas, Worked from Suction Gas Producers, Trials of..... 287
English Awakening, An..... 834
*Enriching, Quick, An Apparatus for, by H. B. Johnson... 129
*Enrichment of Low Candle Power Gas with Benzol, The Practical: Its Convenience and Advantages, by Fred. B. Wheeler..... 123
*Exhauster, Rotary Blower and: Its Construction, Application and Efficiency, by George C. Hicks, Jr.....207, 242
Exhibitor at the World's Fair, Experiences as an, by O. N. Guldlin..... 247
*Explosion at the Works of the Washington (D. C.) Gas Light Company..... 1019

F

*Field, A. R., Tar Burning in Gas and Electric Plants..... 660
Fire Tests with Concrete and Reinforced Concrete..... 975
*Firing Steam Boilers by Producer Gas..... 714
*Fixed Light vs. Fixed Flow: The Great Photometrical Question, by W. H. Y. Webber.....289, 330, 371
*Flexible Outside Holder Piping..... 670
Forstall, Alfred E., Charging for Gas, Methods of..... 749
Free Signs and Flat Rates, by C. W. Lee..... 290
Fuels, Flame Temperature of..... 755

G

Gas Advertising, by Glenn R. Chamberlain..... 707
Gas and Electric Companies, State Supervision of, by John L. Wilkie..... 1013
Gas and Electric Light Laws of New York State..... 630
*Gas and Electric Plants, Tar Burning in, by A. R. Field... 660
Gas Arcs, by W. M. Kapus..... 575
*Gas as Employed in the Use of Babbitt Metal, by "Observer"..... 1018
Gas Associations' Conventions, Commercialism at, by L. S. Bigelow..... 447
*Gas, Boring for, by "Inspector"..... 844
*Gas, Carburetted Methane-Hydrogen, The Methane-Hydrogen Generator Adapted to Carburetted Water Gas Plant for the Production of..... 411
*Gas Coal, The Laboratory Valuation of..... 410
Gas Companies, Taxation of, by George McLean..... 790
*Gas, Compressed, Railway Carriage Lighting by Means of, by M. Naude..... 91
*Gas Distribution of To-day, High Pressure, by H. L. Rice. 792
*Gas Engines, Shop Talks on, by "G. D. R."..... 887
Gas Engines, Utilization of, in Connection with Long Distance Electric Transmission, by J. Martin..... 444
Gas Engines Worked from Suction Gas Producers, Trials of. 287
Gas for the House: Suggestions for the Inspection and Supervision of Consumers' Fittings and Burners and the Establishment of Central Stores and Showrooms, by W. B. McLusky..... 210
*Gas, Illuminating, The Compression and Transmission of, by E. A. Rix.....325, 362
Gas Industry, A New Invention, with a Reference to the Past Records of the, by Frederic Egner..... 250
*Gas in Modern Motor Shops, Increased Use of, by "Traveller"..... 169
*Gas Light Sign, Increasing Use of the, by "Observer"..... 537
*Gas, Low Candle Power, The Practical Enrichment of, with Benzol: Its Convenience and Advantages, by Fred. B. Wheeler..... 123
*Gas Mains, Tappers of, by "G. D. R."..... 799
*Gas Makers of Japan, The, by "Traveller"..... 490
Gas Managers and "Drummers"..... 756
Gas Meters, The Corrosion of..... 625
Gas, Methods of Charging for, by Alfred E. Forstall..... 749
Gas Pressures in Manhattan Borough, by "R. E. L."..... 536
*Gas Producer, Firing Steam Boilers by..... 714
Gas Securities, The Market for..14, 54, 94, 134, 174, 214, 254, 294, 334, 374, 414, 454, 494, 539, 583, 628, 672, 717, 760, 804, 847, 891, 935, 979, 1023, 1067
Gas, Something about the Physics and Chemistry of, by Fred. C. Jones..... 402
Gas Tars, Notes Regarding, by P. W. Prutzman..... 529
Gas Turbine, The Problem of the, by Dugald Clerk..... 930
*Gas Works, Small, A Modern Sulphate Plant Adapted to a, by C. B. Outon..... 449
Generator, Notes on the Induction Motor as a, by T. P. E. Butt..... 929
German Gas and Water Business Men's Association, A Note from the XXXV. Annual Meeting of the..... 489
*German Invention, Another..... 670
Germany, Made in, by Frederic Egner..... 409
Greville, H. L., Oxide of Iron as a Purifying Agent, and its Valuation as a Raw Material, and in a Spent Condition..... 800
Guldlin, O. N., Exhibitor at the World's Fair, Experiences of an..... 247

H

Hancock, W. P., Organization of Working Forces in Large Power Houses, The.....291, 331
*Hicks, George C., Jr., Rotary Blower and Exhauster: Its Construction, Application and Efficiency.....207, 242
*High Pressure Gas Distribution of To-day, by H. L. Rice. 19
